

Declamation

BFCCB organized Bilingual Declamation Contest in which the students made impressive and thought-provoking speeches in English and Urdu both, on different contemporary topics of interest. In the end, the Senior Headmistress, Ma'am Sabahet Malik, distributed certificates among the winners and participants of the declamation contest.

PTM

The Parent Teacher Meeting of BFCCB Senior was scheduled to discuss the students' progress at school. The main objective of the meeting was to create a common platform, where teachers and parents discuss student's performance and devise ways to enrich their learning experience. The meeting helped to create better understanding between parents and teachers and build a harmonious

Matches

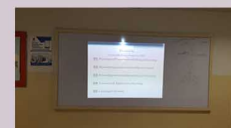

Cricket and football matches were played in a wonderful spirit and were enjoyed by all. Students got a chance to showcase their athletic talents. Some excellent bowling and some brilliant reflexes behind the stumps impressed everyone. Astounding football matches left everyone startled on the moves and kicks of the players.

Open Forum

English Open-Forum was organised for IX-Cs on the topic 'Violence is the Last Refuge of the Incompetent.' Students of all the sections presented their stance and had a very comprehensive session. The moderating instructor ensured enthusiastic participation of all the students. These sessions play an important role in improving students' verbal skills.

PD workshops

Professional Development is a crucial part of the BSS philosophy for continuous improvement in the field of education. Headmistress of Senior School Ms Qamar Zia rationalised her faculty with School Improvement Plan and Professional Development Plan whereas, Senior Mistress of Senior School Ms Nadia Amir updated them about Data Handling. Ongoing professional development is critical for teachers which enables them to be great at their jobs and offer the best to their students each day.

Subject-wise Workshops

Aiming to provide intense training on teaching at the ordinary level, subject wise workshops were held in BFCCB Senior Block. They were basically designed to make the students aware of their mistakes and guide them to adopt effective learning habits for success in CAIEs.
